There is no way to adequately describe what traveling to the Bible Lands will do for you, both spiritually and educationally. To sing, pray, and study at various sites where heroes of faith once stood is thrilling and edifying. On this incredible journey you will walk on the streets of first century Jerusalem, ride in a boat across the Sea of Galilee, and explore the ancient ruins where the Dead Sea Scrolls were discovered. Our highly unique program is designed to bring color, clarity, and a deeper understanding of the many customs, words, and practices of the people and settings of the Bible story and its historical and geographical context. The information and experiences gained from this trip will put you in a better position to understand the biblical text, share the word, defend the faith, and evangelize the lost. You will grow at an exponential rate, both in your understanding of the Bible, and in your own personal walk of faith. After walking where Jesus walked, you will never look at the Bible in the same way again.
